Empowering you with **simple cosmic guidance**.

This Lovers Report is divided into 4 chapters.

Chapter 1 compares your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you are married or live together. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you are married than if you are only seeing each other occasionally.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of romance and sexual attraction are emphasized, then you can count on this relationship being a passionate one. However, if romance and sexuality are hardly mentioned at all, then this relationship will not be a passionate one. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise if you have a close, long-lasting relationship.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that ELIZABETH TAYLOR is more aggressive than RICHARD BURTON, and another statement that RICHARD BURTON is more aggressive than ELIZABETH TAYLOR, means that you alternate roles, with ELIZABETH TAYLOR sometimes being the leader and RICHARD BURTON being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, we have assumed that you are opposite-sexed (assuming that both of you are heterosexual, otherwise same-sexed). Physical attractiveness, age, religion, education, family and cultural background will affect your relationship as well. The material in Chapters 2, 3, and 4 of this report describes the magnetism between you, but does not describe your individual natures. For example, suppose that Chapter 2 makes little mention of romance and sexuality, but the Natal Reports for each of you indicate that each of you has extremely strong romantic and sexual desires. In this case, marriage is not likely to be successful! However, if romance and sexuality are not important to either of you, then the lack of passion in your relationship is not likely to be as much of a stumbling block.

Chapter 1

A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

ELIZABETH TAYLOR's Sun in Pisces and RICHARD BURTON's Sun in Scorpio:

Both of you are very sensitive, feeling, compassionate people, and with one another you are able to have a depth of sharing and intimacy and emotional union that you will find with few others.

ELIZABETH TAYLOR's sympathetic, non-judgmental, understanding attitude can be a healing balm to RICHARD BURTON, who is more emotional and who often carries secret guilts, inner conflicts, and pain.

RICHARD BURTON is more forceful than ELIZABETH TAYLOR, and will sometimes lash out with sarcasm or vindictiveness when hurt, which deeply wounds ELIZABETH TAYLOR. ELIZABETH TAYLOR is gentler, has less protective armor, and is generally more forgiving than RICHARD BURTON is. Another difference in your natures is this: RICHARD BURTON is highly sexual and physical, while ELIZABETH TAYLOR prefers more softness, subtlety, and romance. Basically however, you are quite compatible and can have a very fulfilling union.

ELIZABETH TAYLOR's Moon in Scorpio and RICHARD BURTON's Moon in Taurus:

Both of you are rather obstinate and inflexible, and cannot be easily moved once you've made up your mind. Nor does logic or reason work wonders with either of you, when you decide you want something. When the two of you lock horns, it's a matter of which of you wears down first!

Of the two of you, RICHARD BURTON is the more practical and down to earth. A loving, stable home, creature comforts, and peaceful relationships are RICHARD BURTON's ideal. RICHARD BURTON has a much simpler emotional nature than ELIZABETH TAYLOR, and is much more easily contented.

ELIZABETH TAYLOR's feelings run very deep. ELIZABETH TAYLOR loves intensely, but is also capable of tremendous animosity and hostility if hurt or betrayed. ELIZABETH TAYLOR has a very private, secretive side and often hides feelings or withdraws from people as a means of self-protection. Anger, guilt, and jealousy are emotions ELIZABETH TAYLOR frequently keeps hidden inside.

Empowering you with **simple cosmic guidance**.

All of this is rather incomprehensible to RICHARD BURTON, though RICHARD BURTON does share with ELIZABETH TAYLOR the tendency to be possessive with a love partner.

ELIZABETH TAYLOR also demands much more from a partner in terms of emotional involvement, intimacy, and depth. ELIZABETH TAYLOR doesn't accept anything at face value, and it may seem to RICHARD BURTON that ELIZABETH TAYLOR is always probing, analyzing feelings, and thereby making unnecessary trouble.

There is a strong magnetic attraction between you, and you can be very, very close, especially if you learn to appreciate one another's ways.

Both of you have Venus conjunct, trine, or sextile Jupiter:

Both of you are noble and generous towards friends and loved ones. You each try to support the other's growth and expansion, and promote a feeling of mutual freedom and non-possessiveness towards one another. You are idealistic about love and friendship without being completely unrealistic or deluded about what humans are capable of. You both prefer to see the best in others, and are tolerant and forgiving of the excesses or indiscretions of others.

You both truly enjoy people, parties, and big social events. You share some rather lavish tastes and have a yearning for abundance and ease. Both of you can be a bit lazy also - probably because wealth and other good things come so easily to you.

Sun & Neptune hard or conj for ELIZABETH TAYLOR, soft for RICHARD BURTON:

Both of you are attuned to the world of imagination, or the unseen spiritual forces, but ELIZABETH TAYLOR is more apt to get confused or be unable to discern what is true, direct spiritual experience and what is simply fantasy. ELIZABETH TAYLOR lacks a realistic sense of proportion and is not grounded at times, whereas RICHARD BURTON (who is also sensitive and open) is clearer and more able to maintain a sense of balance in such matters. This is one of the gifts RICHARD BURTON has to offer ELIZABETH TAYLOR.

Empowering you with **simple cosmic guidance**.

Chapter 2

Major Themes in the Relationship: What Brought You Together

RICHARD BURTON's Sun Conjunct ELIZABETH TAYLOR's Moon:

If the two of you are not married, there is a high probability that you will marry some day! You have a natural affinity for each other, feel very comfortable

together, and can experience a very nourishing and intimate closeness. Even if your personalities are very different, you understand each other very well and you are truly friends as well as lovers. If you have children, you will work well together as parents and ELIZABETH TAYLOR, in particular, will prove (perhaps to a surprising degree) very devoted to the family. ELIZABETH TAYLOR also helps, supports, and accepts RICHARD BURTON, who gains much confidence and energy when the two of you are together. There is a deep, mutual appreciation of each other.

ELIZABETH TAYLOR's Moon Opposition RICHARD BURTON's Moon:

Although many of your personal tastes and habits are different, they rarely conflict with each other. Both of you are able to accept each other's personal habits and idiosyncrasies, without feeling like you must force each other to fit your preconceived notions of what your partner should be like. You have a strong sense of acceptance and belonging together.

ELIZABETH TAYLOR's Mars Conjunct RICHARD BURTON's Saturn:

The two of you are able to perform detailed tasks together, and really buckle down to a task at hand and successfully complete any task that you collaborate on. However, there may be too much caution and restraint when good opportunities arise. You are hesitant to take risks together. RICHARD BURTON is inclined to doubt ELIZABETH TAYLOR's ability to succeed in any kind of risky or speculative endeavor and consequently often suggests a conservative approach to achieving goals. In some cases, this caution is unwarranted and very frustrating to ELIZABETH TAYLOR, but at other times RICHARD BURTON provides a realistic, clear, focused perspective on how ELIZABETH TAYLOR can achieve goals.

Empowering you with **simple cosmic guidance**.

On another level, RICHARD BURTON may suppress ELIZABETH TAYLOR's natural desires, drives, and physical energy level, which can leave ELIZABETH TAYLOR feeling drained and resentful. Beware of holding in anger and irritation with one another for it can slowly poison your relationship.

RICHARD BURTON's Sun Square ELIZABETH TAYLOR's Jupiter:

Enthusiasm, optimism, and good will are very strong in your relationship. ELIZABETH TAYLOR is able to see ways that RICHARD BURTON can grow, expand, and develop in material and concrete ways as well as in attitude and inner ways. ELIZABETH TAYLOR, however, may try to push RICHARD BURTON too hastily and be deceived by unrealistic expectations, resulting in foolish joint speculations and unsuccessful ventures. Try not to let your shared enthusiasm and optimism spawn unrealistic hopes and expectations.

RICHARD BURTON's Sun Trine ELIZABETH TAYLOR's Pluto:

ELIZABETH TAYLOR helps RICHARD BURTON achieve personal goals, activate RICHARD BURTON's latent talents and strengths, and encourages and promotes RICHARD BURTON's creative work and endeavors. You can be a very successful duo. However, ELIZABETH TAYLOR can be more driving and ambitious for RICHARD BURTON than RICHARD BURTON is, like the "stage mother" who pushes her child to shine and to excel even when it is not the child's own aspiration. ELIZABETH TAYLOR can have a profound influence on RICHARD BURTON, most likely for the good, but possibly not. Subtle manipulation and domination on ELIZABETH TAYLOR's part should be avoided.

RICHARD BURTON's Asc. Sextile ELIZABETH TAYLOR's Saturn:

ELIZABETH TAYLOR has a steadying effect on RICHARD BURTON, and you are likely to build a deep commitment to one another over time. You have a reliable friend in one another.

RICHARD BURTON's Moon Square ELIZABETH TAYLOR's Jupiter:

You enjoy joking and kidding each other, and you spark each other's sense of humor. In fact, it is sometimes difficult to be serious with each other; the tendency to be light-hearted and jovial is too irresistible. Also, you are very supportive and encouraging to each other, but you tend to be overly optimistic about each other and make promises that you cannot fulfill. You encourage each other to be extravagant, sometimes too much so.

Empowering you with **simple cosmic guidance**.

ELIZABETH TAYLOR's Moon Sextile RICHARD BURTON's Neptune:

You feel extremely comfortable with each other, and it is not surprising that you have become close friends. The intuitive rapport for each other is very strong, and you connect strongly on a deep, compassionate, almost mystical level. You also work well together in artistic, musical, and humanitarian areas.

RICHARD BURTON's Mercury Square ELIZABETH TAYLOR's Saturn:

ELIZABETH TAYLOR is often critical and coldly analytical of RICHARD BURTON's ideas, and RICHARD BURTON is likely to feel belittled by ELIZABETH TAYLOR. If both of you are able to offer criticisms and comments with a helpful, positive attitude, then this astrological influence need not be overwhelming, but the tendency to feel blocked and frustrated in your communications is very strong. You must make sincere efforts to listen receptively and sympathetically!

RICHARD BURTON's Mercury Trine ELIZABETH TAYLOR's Mars:

You inspire each other to refine and clarify your ideas, plans and strategies. You are an effective team in research, writing, or business pursuits. You also help each other to successfully implement a plan or follow through on an idea until it manifests as a successful product or creative work. You also have spirited, feisty debates with one another.

RICHARD BURTON's Venus Trine ELIZABETH TAYLOR's Saturn:

There is a great deal of mutual trustworthiness, reliability, and responsibility in this relationship that makes you both feel very secure with each other. You can count on each other, and you both take the relationship seriously. You willingly make sacrifices for each other, and a deep love between you develops over time. You will assist each other a great deal over the years. This is likely to be a deep, meaningful, lasting relationship.

ELIZABETH TAYLOR's Mars Square RICHARD BURTON's Jupiter:

The two of you enjoy planning and designing methods for achieving success. You encourage each other to achieve your dreams and RICHARD BURTON frequently points out new avenues and grander vistas for ELIZABETH TAYLOR's talents and energy. However, the propensity to speculation and unrealistic optimism is also very strong, and many of your joint ventures are likely to prove wasteful, poorly timed, or extravagant.

Empowering you with **simple cosmic guidance**.

ELIZABETH TAYLOR's Mars Sextile RICHARD BURTON's Uranus:

You inspire confident, assertive, dynamic feelings in each other, and together you enjoy being daring, acting boldly, making definite decisions and following through on them. Your partnership is a positive, dynamic one that will help both of you reach your goals. You encourage one another to be inventive, to try new approaches and this recharges and vitalizes your sexual relationship as well as your life in general.

Chapter 3

Destiny and Final Outcome of Your Relationship

Composite Sun Trine Neptune:

Unselfishness, tolerance, and forgiveness flow readily between you, helping to ease and ameliorate any problems you face together. Your relationship has a strong idealistic and platonic quality. Even if you are involved sexually, the focus with the two of you is not primarily physical, but subtle, soulful, and spiritual in nature. You have high standards for your friendship and may expect yourselves or one another to be the Perfect Friend, all-giving and always impeccable in your dealings with each other. For the most part you both try to live up to these lofty images, and to not taint your relationship with selfish or mundane considerations.

The psychic tie is strong between you, too. You may experience an unusual ability to "read" one another, send messages to one another telepathically, and so on. Any interest you have in the metaphysical or imaginative arts will be highlighted, and become an important focus in your relationship.

Composite Moon Opposition Saturn:

Emotional separations, withdrawal, and distancing yourselves from one another are issues you will have to deal with over and over again in your relationship. You easily could simply pull away from one another in subtle ways, and grow increasingly cooler, more impersonal, and distant, leaving nothing more than a shell of a relationship with no life or feeling in it.

The other possibility is that you truly want to be together, but outside demands,

Empowering you with **simple cosmic guidance.**

commitments, or other pressing obligations prevent this. Unrequited yearning, unfulfilled emotional needs, a longing for closeness which simply doesn't happen - these are some of the undertones between you two.

This is a relationship in which you are both meant to learn from emotional pain and frustration. For one thing, you will have to find ways to nurture and take care of yourselves rather than expecting the other person to provide that support. Long, dry spells or periods of aloofness can be expected. This is not to say the two of you cannot come together, only that there will be much to overcome, not the least of which are your own fears of smothering or closeness and your self-protective defenses.

Composite Venus Square Jupiter:

Openness, generosity, spreading good will, and generally having a good time together are emphasized in your relationship. If either or both of you have any tendency to be extravagant or to spend too much on pleasure, being together will really blow this out of proportion. As a couple, you will not want to deny yourselves any of the good things in life, and budgeting or restricting yourselves won't be easy.

Nevertheless, yours is destined to be a felicitous, affectionate, and fortunate relationship. A full and active social life, as elegant and comfortable surroundings as you can possibly afford, and plenty of vacations and "fun time" are certainly a significant part of this. And even in the inevitable difficult times, the two of you manage to buoy one another up and maintain hope in one another.

Composite Sun Opposition Venus:

Quite simply, one of your purposes in being together is to create and express beauty, whether this is in the form of a beautiful, loving relationship, or gracious and artful works. There can also be an element of vanity, artifice, or wanting to show-off, the desire to be seen and recognized as a Beautiful Couple, whether or not that's entirely true. Hiding or downplaying your difficulties and the ugly parts of your relationship may be helpful to a point, but if you try to maintain this image of yourselves as a happy, loving twosome despite your actual conflicts, then deeper troubles may never get attended to.

However, whatever friction, dissonance, or ill will develops between you, there will also always be an urge to harmonize, reconcile, and ease your differences, and to create cooperation. It will take a lot for the two of you to ever turn against each other entirely.

Empowering you with **simple cosmic guidance.**

Composite Mercury Opposition Venus:

A shared sense of style, elegance, and aesthetics is destined to be a focus with the two of you. Discussions about art, love and romance, or what each of you finds beautiful are definitely part of this.

Also, the two of you are able to tell one another of your affection for one another, to express those feelings verbally or in writing. Small, considerate expressions of caring (as well as tactful, somewhat sugar-coated expressions of disagreement when that is appropriate) add much felicity to your relationship. You tend to either avoid "heavy" subjects, or are able to talk about them in a friendly, amicable manner.

Composite Mercury Square Jupiter:

You bring out the restless, wandering, intellectually curious and open-to-adventure sides of one another. Big visions for the future, plans of seeing the world, and/or greatly expanding in some other area of your shared lives are key themes in your relationship. Together, you are idealistic, optimistic, hopeful, expectant of good things to come, and generally philosophical about failures. One of the gifts inherent in your relationship is faith.

Inevitably you two will bite off more than you can chew and/or get involved in projects that either grow too quickly or somehow become unmanageable (bigger than you expected). Grandiose claims - not based on fraud but upon over-optimism - will be a problem at some time in your relationship, too. Overall, however, together you have the resiliency and good fortune to bounce back, time and again.

Composite Venus Sextile Neptune:

An aura of enchantment, mystery, and romanticism permeates your relationship, and maintaining a beautiful image of one another and of yourselves as a couple is crucial to its success. If either (or both) of you allows yourself to neglect your appearance or in other ways forgets to keep the magical element alive, your partner will be inordinately disappointed. This relationship needs fantasy and beautiful dreams, candlelight, moonlit escapades, and forays into paradise! If you two can also be clearheaded at the same time, your bond with one another can be very sweet.

Empowering you with **simple cosmic guidance**.

Composite Mars Trine Jupiter:

The two of you have what it takes to be very successful in any activity or project you undertake together. Optimism, positive expectations, and a fortunate sense of timing all contribute to the success of your joint endeavors.

Being together invigorates you and gives you both more energy, and you'll easily be able to achieve greater things as a team than you would singly. Also, as a couple you will be "lucky", especially in contests and competitions.

Chapter 4

Other Themes in Your Relationship

*ELIZABETH TAYLOR's Sun in RICHARD BURTON's 12th house,
RICHARD BURTON's Sun in ELIZABETH TAYLOR's 12th house:*

You have a knack for uncovering each other's hidden or repressed traits, and there is a deep, mysterious, perhaps even mystical quality to your relationship.

ELIZABETH TAYLOR's Moon in RICHARD BURTON's 8th house:

As your relationship develops, a powerfully emotional bonding develops. Your feelings for each other are intense and can also be rather complex. Jealousy is possible and if things go wrong, you can hate each other with the same intensity that you once loved each other. If you marry or pool your resources but later separate from each other, you will have an extremely difficult time disentangling your mutually owned property, and you are likely to argue intensely over proper division of your joint assets.

RICHARD BURTON's Moon in ELIZABETH TAYLOR's 6th house:

RICHARD BURTON enjoys assisting ELIZABETH TAYLOR in any way possible, and is willing to perform tasks and chores for ELIZABETH TAYLOR with little complaint. RICHARD BURTON may, however, at times be overly concerned with ELIZABETH TAYLOR's welfare, and worry unnecessarily about ELIZABETH TAYLOR's well-being and health.

Empowering you with **simple cosmic guidance**.

ELIZABETH TAYLOR's Mercury in RICHARD BURTON's 12th house:

ELIZABETH TAYLOR's conversation, interests, and way of looking at things perplexes RICHARD BURTON sometimes. Nonverbal communication may be more effective than trying to reason with one another.

RICHARD BURTON's Mercury in ELIZABETH TAYLOR's 11th house:

Your intellectual rapport is very good. You share lots of ideas and interests in community affairs, political or social issues, and various clubs and organizations.

ELIZABETH TAYLOR's Venus in RICHARD BURTON's 1st house:

Regardless of how others view ELIZABETH TAYLOR, RICHARD BURTON finds ELIZABETH TAYLOR to be a very attractive and a beautiful person. RICHARD BURTON sees a great deal of charm and sweetness in ELIZABETH TAYLOR and is willing to go to great lengths to please ELIZABETH TAYLOR.

RICHARD BURTON's Venus in ELIZABETH TAYLOR's 10th house:

RICHARD BURTON takes an active interest in ELIZABETH TAYLOR's career, and is very supportive. ELIZABETH TAYLOR appreciates RICHARD BURTON's help but may feel that RICHARD BURTON is a bit paternalistic and sometimes too emotionally detached.

ELIZABETH TAYLOR's Mars in RICHARD BURTON's 12th house:

ELIZABETH TAYLOR has a strong desire to know RICHARD BURTON in a very intimate way, and often pressures RICHARD BURTON to reveal innermost, hidden traits. RICHARD BURTON, in turn, reveals more to ELIZABETH TAYLOR than to others. You enjoy times alone together, when you can be more intimate and less inhibited with each other.

RICHARD BURTON's Mars in ELIZABETH TAYLOR's 1st house:

RICHARD BURTON comes on strong, almost aggressively to ELIZABETH TAYLOR, and this relationship is a lively, dynamic one. RICHARD BURTON spurs ELIZABETH TAYLOR to do more and be more. ELIZABETH TAYLOR may feel inspired by RICHARD BURTON, but may also feel that RICHARD BURTON is too pushy.

Empowering you with **simple cosmic guidance**.

ELIZABETH TAYLOR's Jupiter in RICHARD BURTON's 5th house:

The two of you enjoy playing games together, engaging in creative activities, hobbies, and you generally have lots of fun together. Also, ELIZABETH TAYLOR encourages RICHARD BURTON's creative talents and interests and enjoys promoting and assisting RICHARD BURTON's creativity, whether it be as simple as baking a cake or a major undertaking.

RICHARD BURTON's Jupiter in ELIZABETH TAYLOR's 12th house:

RICHARD BURTON has a knack for getting under ELIZABETH TAYLOR's skin and understanding ELIZABETH TAYLOR in a more intimate, deeper way than most other people. RICHARD BURTON is a dear friend, and comes "to the rescue" in times of crisis or transition. Together, you will develop a shared interest in altruistic and humanitarian (possibly also religious or spiritual) activities.

ELIZABETH TAYLOR's Saturn in RICHARD BURTON's 11th house:

Involvement with community, colleagues and organizations can become a critical issue in your relationship. ELIZABETH TAYLOR, in particular, is likely to question and criticize RICHARD BURTON for involvement (or the lack of it) in various clubs, groups, or organizations. Also, you may both join an organization together, because of sharing a mutual enthusiasm, and both go through a period of disillusionment and sobering-up when the organization does not live up to expectations. Fortunately, these experiences are not likely to be extremely disconcerting to either of you, and, in fact, you will feel that you have both matured a great deal through the experiences.

RICHARD BURTON's Saturn in ELIZABETH TAYLOR's 3rd house:

RICHARD BURTON has a nasty habit of correcting ELIZABETH TAYLOR. RICHARD BURTON sometimes gets into the mode of being ELIZABETH TAYLOR's "editor"; making false assumptions, correcting logical inconsistencies, and interrupting ELIZABETH TAYLOR in the middle of a sentence in order to point out a flaw in the argument. RICHARD BURTON may not have this tendency with others, but it does happen frequently in your relationship. The positive side of this tendency is that you are often able to communicate in a deeper, more honest fashion, and get to the heart of the matter at hand; the "editing" is sometimes successful, and helps to clarify issues. If handled properly, you can be good at solving problems together.

Empowering you with **simple cosmic guidance**.

ELIZABETH TAYLOR's Uranus in RICHARD BURTON's 1st house:

RICHARD BURTON's more unusual, creative side comes out in this relationship, and RICHARD BURTON feels more spontaneous and exuberant with ELIZABETH TAYLOR than with most other people. Consequently, there is a lively feeling to your relationship, but if ELIZABETH TAYLOR is a rather unstable person, then RICHARD BURTON may feel that there is not enough stability and reliability in the relationship.

RICHARD BURTON's Uranus in ELIZABETH TAYLOR's 5th house:

There is a strong creative impulse that is triggered when the two of you get together. You are able to create original and unusual works together and you approach daily life together in a very creative way. This enthusiasm and creativity makes life fun and interesting and also adds zest to the romantic attraction between you.

ELIZABETH TAYLOR's Neptune in RICHARD BURTON's 6th house:

RICHARD BURTON is often disappointed in the way that ELIZABETH TAYLOR handles problems and performs various chores and tasks. RICHARD BURTON is

likely to feel that ELIZABETH TAYLOR is careless or sloppy. You approach many tasks in a very different manner from each other. This is not likely to create any serious problems, and can even add some interesting variety to your lives.

RICHARD BURTON's Neptune in ELIZABETH TAYLOR's 10th house:

RICHARD BURTON tends to have idealistic notions of what ELIZABETH TAYLOR can achieve in a worldly sense, and consequently RICHARD BURTON is likely to encourage ELIZABETH TAYLOR to pursue dreams without compromise. ELIZABETH TAYLOR needs to be careful not to lose sight of the practical details that are needed to meet these goals.

ELIZABETH TAYLOR's Pluto in RICHARD BURTON's 4th house:

A lot of powerful emotions come to the surface in this relationship. Your attachment to each other can be very intense, and the possibility of arousing jealousy or hurt feelings is very strong. Unfortunately, both of you may let the feelings boil for quite a long time before expressing them. You need to be honest and open with each other because otherwise a complex knot of feelings can develop between you, developing into a love-hate relationship.

Empowering you with **simple cosmic guidance.**

RICHARD BURTON's Pluto in ELIZABETH TAYLOR's 8th house:

There is a powerful magnetism between you, and probably a strong sexual attraction as well. If romantic attraction is strong, you may go through periods of feeling compulsive and obsessive about each other. The emotions involved are complex, however, and the bond between you, while strong, is not necessarily harmonious.

ELIZABETH TAYLOR's Sun Conjunct RICHARD BURTON's Saturn:

One strong factor that attracted you to each other (perhaps unconsciously) is the feeling that you can have a deep, stable, permanent relationship and settle down together, facing life's responsibilities in a mature way, tackling challenges together such as raising children, becoming financially secure, etc. These concerns can gradually cause your relationship to become too absorbed with "serious" matters, causing both of you to feel limited and stifled by the relationship. RICHARD BURTON has a strong tendency to criticize and judge ELIZABETH TAYLOR's actions, sometimes accurately and sometimes unjustly. RICHARD BURTON should guard against this tendency to dampen ELIZABETH TAYLOR's enthusiasm, and ELIZABETH TAYLOR needs to avoid being overly sensitive to RICHARD BURTON's suggestions and criticisms. RICHARD BURTON's tendency to dominate, control, or even repress ELIZABETH TAYLOR makes ELIZABETH TAYLOR feel resentful at times, and ELIZABETH TAYLOR may feel lowered vitality and self-confidence after being with RICHARD BURTON for a long time.

You must make room for lightness and play, or you both will feel burdened by the tone that is set between you.

ELIZABETH TAYLOR's Sun Sextile RICHARD BURTON's Mars:

You work together very well on projects, and you make an excellent partnership in any joint venture, sport, or business activity. Sexual attraction is also very strong.

ELIZABETH TAYLOR's Asc. Square RICHARD BURTON's Neptune:

RICHARD BURTON may confuse and undermine ELIZABETH TAYLOR's confidence in a subtle way, without intending to do so. ELIZABETH TAYLOR feels unsure, befuddled, or mystified at times by RICHARD BURTON. RICHARD BURTON can influence ELIZABETH TAYLOR to be less careful than usual also. A business or working partnership is unlikely to work out well, but your personal relationship will

Empowering you with **simple cosmic guidance**.

not suffer if both of you really work at being honest, clear, and unambiguous about your intentions and desires. Otherwise, things become rather foggy between you.

ELIZABETH TAYLOR's Mercury Conjunct RICHARD BURTON's Saturn:

You two can have serious communication problems. RICHARD BURTON can help ELIZABETH TAYLOR clarify and define ideas, but very often ends up criticizing or belittling them instead which makes ELIZABETH TAYLOR doubt, withhold, or simply be quiet. RICHARD BURTON needs to be very careful not to interrupt, ignore, or judge ELIZABETH TAYLOR when ELIZABETH TAYLOR is speaking. Also, your conversations tend to focus on serious topics or practical affairs and business, which can become dull for one or both of you.

ELIZABETH TAYLOR's Mercury Sextile RICHARD BURTON's Mars:

Your conversations are invariably stimulating and challenging. You share ideas openly and candidly with each other, but fortunately are able to do so without insulting or attacking each other. You can work together very effectively in research, writing, and business pursuits. You work together very effectively in developing and implementing ideas in virtually any area of mutual interest.

RICHARD BURTON's Mars Trine ELIZABETH TAYLOR's Neptune:

You enjoy watching movies, reading novels, discussing music and the arts, and pursuing religious or metaphysical areas together. You work well together in any area that involves a strong imaginative element. The spiritual bond between you is strong, and as you spend time together, your ideals and your sense of purpose in life becomes more refined and intertwined.

RICHARD BURTON's Jupiter Sextile ELIZABETH TAYLOR's Saturn:

You help one another achieve important goals and even though your relationship is primarily romantic or personal, the two of you could have an excellent working relationship or business partnership as well. ELIZABETH TAYLOR gives RICHARD BURTON practical assistance and advice, encouraging RICHARD BURTON to be steady and patient on the way to achieving aims and desires. RICHARD BURTON, on the other hand, buoys ELIZABETH TAYLOR's flagging spirits and sparks enthusiasm for meeting life's challenges. You can be very successful together.

Empowering you with **simple cosmic guidance**.

ELIZABETH TAYLOR's Saturn Opposition RICHARD BURTON's Pluto:

Most likely there is a strong attraction-repulsion quality between the two of you, and it may be difficult for you to totally relax, surrender control, or completely trust one another. There may be much that you both must give up, eliminate, or let go of in order to be together, including your own hidden fears and deep-seated character defects.

Try to avoid becoming overly serious, intense, and heavy when you are together.

ELIZABETH TAYLOR's Saturn Square RICHARD BURTON's Uranus:

ELIZABETH TAYLOR's caution, needs for security, stability, and commitment holds RICHARD BURTON's needs for freedom, excitement, and novelty in check, and this is a source of friction between the two of you, which may become an intense conflict. RICHARD BURTON tends to rebel against ELIZABETH TAYLOR's demands or restrictions and is inconstant or unreliable with ELIZABETH TAYLOR, who may never feel quite safe with RICHARD BURTON.

RICHARD BURTON's influence on ELIZABETH TAYLOR is unsettling or disruptive, but this may have a positive, liberating effect if ELIZABETH TAYLOR is stuck in an unsatisfying and outmoded pattern or lifestyle.

ELIZABETH TAYLOR, too, may give RICHARD BURTON some much needed structure, grounding, and stability. To avoid some of the more difficult potentials of this conflict, ELIZABETH TAYLOR must give RICHARD BURTON plenty of freedom and learn to relax, flow, and become comfortable with a certain degree of uncertainty or insecurity. RICHARD BURTON must respect ELIZABETH TAYLOR's security needs, and not take on an adolescent, self-centered, irresponsible attitude toward ELIZABETH TAYLOR, stirring up ELIZABETH TAYLOR's fears and insecurities.
