Empowering you with **simple cosmic guidance.**

This Lovers Report is divided into 4 chapters.

Chapter 1 compares your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you are married or live together. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you are married than if you are only seeing each other occasionally.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of romance and sexual attraction are emphasized, then you can count on this relationship being a passionate one. However, if romance and sexuality are hardly mentioned at all, then this relationship will not be a passionate one. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise if you have a close, long-lasting relationship.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that SID VICIOUS is more aggressive than NANCY SPUNGEN, and another statement that NANCY SPUNGEN is more aggressive than SID VICIOUS, means that you alternate roles, with SID VICIOUS sometimes being the leader and NANCY SPUNGEN being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, we have assumed that you are opposite-sexed (assuming that both of you are heterosexual, otherwise same-sexed). Physical attractiveness, age, religion, education, family and cultural background will affect your relationship as well. The material in Chapters 2, 3, and 4 of this report describes the magnetism between you, but does not describe your individual natures. For example, suppose that Chapter 2 makes little mention of romance and sexuality, but the Natal Reports for each of you indicate that each of you has extremely strong romantic and sexual desires. In this case, marriage is not likely to be successful! However, if romance and sexuality are not important to either of you, then the lack of passion in your relationship is not likely to be as much of a stumbling block.

Chapter 1

A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

SID VICIOUS's Sun in Taurus and NANCY SPUNGEN's Sun in Pisces:

Both of you are basically tolerant, easy-going, "soft" and peace-loving people, and this goes a long way toward maintaining harmony in your relationship. NANCY SPUNGEN really appreciates SID VICIOUS's steadiness and dependability, while SID VICIOUS responds to NANCY SPUNGEN's gentleness, kindness, and sympathy.

However, there are also very basic differences between you: SID VICIOUS seeks clear and simple answers, and approaches life in a pragmatic, down-to-earth manner. SID VICIOUS has clear preferences and dislikes, and has very predictable tastes. SID VICIOUS seeks tangible and clear results from any effort. NANCY SPUNGEN, on the other hand, is more eclectic in approach, and is sensitive to a wider spectrum of ideas and feelings. NANCY SPUNGEN is less rational, more emotional and intuitive, more willing to accept ambiguities and complexities than SID VICIOUS.

SID VICIOUS's Moon in Libra and NANCY SPUNGEN's Moon in Gemini:

Both of you are more rational and reasonable than emotional so you are likely to get along well. Difficult situations or problems that arise between you are likely to be dealt with logically and with an attempt to be equitable and fair. Both of you are uncomfortable with an unrestrained expression of feelings, and you may ignore or avoid your own anger, fears, sadness, or other "dark" emotions. SID VICIOUS always wants the relationship to be sweetness and light and tries to smooth everything over as quickly as possible. NANCY SPUNGEN will discuss or debate endlessly but detaches or becomes very uncomfortable when emotion threatens to overcome the reasonable tone of the discussion. NANCY SPUNGEN uses humor or verbosity as a defense against feeling difficult emotions, or dealing with other people's emotions.

You are both very social creatures with a great need for companionship and conversation, though SID VICIOUS is more personal, more interested in people and human situations while NANCY SPUNGEN is simply interested in ideas and will talk about anything at all! You are likely to appreciate one another very much as friends (in addition to whatever romantic interest you have for one another).

Empowering you with **simple cosmic guidance.**

Both of you have Venus conjunct or in hard aspect to Pluto:

For both of you, love is an intense, deep, all-consuming experience which will take you both to heaven and to hell! Each of you is learning about love and sexuality, and how to use your magnetic or attractive powers in a positive way. Issues of control, power, and surrender, of possessiveness, trust, and jealousy, and of the potential for healing inner, psychic wounds through loving and being loved will arise again and again for each of you, no matter who you are with. However, together all of these matters are intensified, so your relationship will no doubt be a very "hot" one - nothing lukewarm about it! There is apt to be a love-hate quality to your relationship as you trigger one another's deepest needs, vulnerabilities, and hidden or forbidden feelings. At least both of you have a "taste" for this kind of intensity!

Chapter 2

Major Themes in the Relationship: What Brought You Together

Asc. Mutually Aspects Mercury:

Talking, discussing, arguing, brainstorming, corresponding, and/or working together in conducting a business is likely to be an important part of your relationship. There is a constant running dialogue between you which is very enjoyable if you are a verbal type of person, but can be almost irritating if you are a less intellectual, more taciturn type.

Positively, you help one another to articulate and communicate your ideas and feelings. Negatively, you may fritter your energies away through endless and fruitless discussions.

SID VICIOUS's Asc. Trine NANCY SPUNGEN's Mercury:

You work together very harmoniously on daily tasks and you can communicate very clearly and openly to each other. You "speak the same language" and you have a knack for quickly understanding each other.

Empowering you with **simple cosmic guidance**.

NANCY SPUNGEN's Asc. Sextile SID VICIOUS's Mercury:

Harmonious, open, and clear communication is so ingrained in your relationship that you probably take it for granted. You enjoy long talks and it seems that no matter how well you know each other, you continue to enjoy having time for long discussions.

SID VICIOUS's Asc. Conjunct NANCY SPUNGEN's Neptune:

The two of you have a very strong psychic or telepathic link, and there is a great deal of sensitivity, empathy, and understanding between you. Idealism and devotion are important elements in your relationship and both of you may gladly give or sacrifice much for one another. NANCY SPUNGEN encourages SID VICIOUS to be receptive and somewhat passive. SID VICIOUS is easily swayed by NANCY SPUNGEN's emotions and moods, and this may be confusing or overwhelming, especially if SID VICIOUS doesn't have a solid sense of self. NANCY SPUNGEN, on the other hand, idolizes SID VICIOUS, and may have a very inaccurate picture of SID VICIOUS's true nature and needs. Also, both of you may be very indirect or subtle in your communications. Strive to be straightforward and clear with one another.

NANCY SPUNGEN's Venus Opposition SID VICIOUS's Uranus:

This is an unusual relationship! The relationship seems to follow its own, unpredictable course that neither of you can control. At least life isn't boring! Sexual attraction to each other is aroused suddenly and unpredictably, but then it subsides just as quickly and unexpectedly. If your relationship is a permanent one, you will find that periods of intense sexual attraction come and go in waves, and you both will have to be able to adjust to these unpredictable changes. SID VICIOUS, in particular, may be erratic, inconstant, or unreliable toward NANCY SPUNGEN, perhaps unwilling to make a commitment or to keep promises.

SID VICIOUS's Sun Trine NANCY SPUNGEN's Mars:

Successful cooperation in achieving goals and accomplishing tasks is highlighted. You make an excellent working team and you are able to assist each other in achieving specific, concrete goals. The sexual attraction between you is also very strong.

Empowering you with **simple cosmic guidance**.

NANCY SPUNGEN's Asc. Square SID VICIOUS's Saturn:

SID VICIOUS often checks or throws a damper on NANCY SPUNGEN's spontaneous impulses and self-expression, which is frustrating to NANCY SPUNGEN, and can be a source of resentment if it continues for too long. SID VICIOUS makes NANCY SPUNGEN question and doubt NANCY SPUNGEN's actions, which can be a good thing in small doses, especially if NANCY SPUNGEN tends to be rash or foolhardy. However, SID VICIOUS must avoid becoming a "heavy" in NANCY SPUNGEN's life, always the nay sayer or disciplinarian.

SID VICIOUS's Moon Sextile NANCY SPUNGEN's Uranus:

You feel open and uninhibited with each other, and can express your feelings spontaneously and without reserve. You enjoy joking and kidding around with each other. If both of you enjoy dancing or playing music, you make wonderful partners in dance and/or music. Sexual compatibility is also very high.

NANCY SPUNGEN's Mercury Trine SID VICIOUS's Mars:

You inspire each other to refine and clarify your ideas, plans and strategies. You are an effective team in research, writing, or business pursuits. You also help each other to successfully implement a plan or follow through on an idea until it manifests as a successful product or creative work. You also have spirited, feisty debates with one another.

NANCY SPUNGEN's Venus Square SID VICIOUS's Neptune:

Your love for each other has a very dreamy, idealistic, and romantic quality. You are infatuated with each other, sometimes almost hypnotized by each other. You tend to have glamorous and idealistic notions of each other that are far removed from reality. This relationship is prone to major disappointments when you each discover that your partner is not as perfect as imagined. Disillusionment and disappointment are likely, but you can mitigate this tendency if you allow yourself to enjoy the dreamy romanticism without projecting your wildest fantasies onto your partner, believing you have found the companion of your dreams.

SID VICIOUS's Mars Trine NANCY SPUNGEN's Jupiter:

The two of you form an effective, dynamic team in any venture or endeavor. You work together very well in accomplishing daily tasks, and it is likely that you will also successfully coordinate efforts on joint efforts as well.

Empowering you with **simple cosmic guidance**.

SID VICIOUS's Mars Trine NANCY SPUNGEN's Neptune:

You enjoy watching movies, reading novels, discussing music and the arts, and pursuing religious or metaphysical areas together. You work well together in any area that involves a strong imaginative element. The spiritual bond between you is strong, and as you spend time together, your ideals and your sense of purpose in life becomes more refined and intertwined.

Chapter 3

Destiny and Final Outcome of Your Relationship

Composite Moon Trine Mars:

Warm, passionate emotional responses to one another will always be a part of your relationship. You encourage, invigorate, and stimulate one another's instincts and emotions. If you have a sexual involvement, this will be a very satisfying aspect of your bond - you will never be uninvolved or lukewarm. Even if you are not involved sexually, a very physical, warm-blooded relationship is indicated. A mutual enjoyment of sports, or exercise and the outdoors, figures prominently with the two of you. Getting rambunctious and fired up together, perhaps sharing enthusiasm and spirit for some cause or team, does also.

When you are together you won't always be calm or sedate. There is a feeling of energy and vitality between you that people around you will feel and be enlivened by. This zest for life is part of the essence of your relationship.

Composite Moon Sextile Jupiter:

Part of the purpose of your relationship is to simply enjoy your lives together and to have fun. Together you will expand your social circle, and broaden your contacts with the world in many ways. As a couple, you may do more traveling for pleasure than you would ever do as individuals.

Play, humor, laughter, and exuberant good spirits permeate your relationship. You take more risks, spend more money on fun and adventure, and generally have a good time together. It is easy, comfortable, and relaxing to be with one another; you cheer one another up. Being together makes you both feel good, and this will have positive effects on your health and overall success in life, the more you are together.

Empowering you with **simple cosmic guidance**.

Composite Mercury Conjunct Mars:

Vigorous debates and intellectual sparring will inevitably play a key role in your relationship. What you might try to convey tactfully in other circumstances, you will state directly and unequivocally with each other. This can lead to numerous arguments and disputes, not so much due to deep differences of opinion but simply due to the way you both communicate with one another.

It is likely that one or both of you will come to feel verbally attacked, or criticized for petty things, unless you both are willing to work on being gentler in the manner you speak to one another.

On the other hand, if you enjoy bantering, competing intellectually, and hotly debating various issues, you may not consider any of this a problem. It will, however, be an ongoing dynamic in your relationship with each other.

Composite Venus Quincunx Pluto:

Deep forces from within both of you will complicate your interactions with one another. You trigger deep feelings in one another, including those you may be accustomed to hiding, such as powerful passions, extreme possessiveness, an urge to dominate (sexually or otherwise). Avoid manipulative plays such as guilt, emotional blackmail, jealousy, or threats of abandonment - at all costs!

Your connection with one another will have a deeply transforming effect on you both, and even your seemingly casual interactions will somehow influence or change you. That is, if you do not get entangled in some of the subterranean power struggles mentioned above.

Part of the purpose of your relationship is to bring up aspects of yourselves and of your attitudes towards loving others which you have kept in the dark until now.

Composite Mars Opposition Jupiter:

Together you will take the kind of risks in life that neither of you may have dreamed of doing individually. You encourage, invigorate, and spur one another on to greater achievements. Partly through competition and egging one another on, each of you aspires toward goals that may well have seemed out of your reach before you two came together. Even in minor, day-to-day matters there is a positive, we-can-do-it spirit that infuses your relationship.

You will need to be very active together and are prone to get cabin fever, to feel cramped and unhappy together, if you are not tackling challenges or doing

Empowering you with **simple cosmic guidance**.

something rambunctious. Physical play and adventure are essential ingredients for the health and success of this relationship.

Composite Sun Trine Moon:

Overall, a feeling of harmony, flow, mutual acceptance and supportiveness characterizes your relationship. You simply dovetail very naturally together and neither of you feels that you have to sacrifice too much of yourself to be together. You may take this ease for granted, as your partnership or friendship "just happened" without a great deal of effort or even intention on your parts. You complement and complete one another in ways that are both gratifying emotionally and also helpful to you in meeting challenges and struggles you encounter outside of your relationship. Honoring and developing the feeling of soul kinship that you have with one another is an important purpose in your relationship.

Composite Sun Conjunct Mars:

Without a doubt, the two of you rouse strong energies within one another, and you will have to learn how to manage conflict, passion, and anger in a creative way. When you are together, you both tend to become competitive, overly eager, rambunctious and zealous. You are not destined to have a peaceful, placid coexistence! However, you can initiate new projects and get lots of work done together, if your drives are harnessed and channeled into creative enterprises. Winning at work and competition, developing a warrior spirit, encouraging one another to be bolder and more courageous - these are the positives you will discover and create together if you can diffuse the more aggressive, abrasive energies you bring out in each other.

Action, doing, accomplishing are much of what this relationship is about. Because you generate so much heat - on all levels - when you are together, your sexual energies will also be stimulated and will certainly be an undertone in your communication with one another.

Composite Sun Opposition Jupiter:

You inspire, cheer, encourage, and generate faith and optimism in one another. You may even tend to promote unrealistic hopes and overly idealistic expectations, because when the two of you are together you feel that anything is possible through the power of faith or positive thinking. You are likely to travel and move around a lot in pursuit of this great good you wish for. A pronounced restlessness with the status quo, and a strong need to keep growing and expanding in some way, are essential aspects of your relationship.

Empowering you with **simple cosmic guidance**.

You are apt to open one another up to many things. Philosophical or religious differences between you will arise, in part to help you both understand where you place your faith, as well as to help you develop tolerance and an expanded view of life.

Composite Moon Trine Mercury:

Long, intimate chats, talking and listening to one another, sharing confidential or personal stories, discussing emotional concerns and/or family matters - these play a crucial role in your relationship. You may tell one another extremely personal details of your lives, even before you know one another that well, and it will be very easy for you to divulge these things to one another. At times your conversations may become very trivial and gossipy, but somehow satisfying nonetheless. You are good listeners, sounding boards for one another, and through your relationship, you both get some clearer understanding and objectivity about the things that really matter to you. The inner, private, personal aspect of life will be the primary focus in your discussions. If you live at a distance from one another, correspondence or long-distance phone calls will keep you close. Part of the purpose of your relationship is for each of you to have a confidante and counselor.

Composite Mercury Opposition Jupiter:

Being together stimulates grandiose visions, an overly optimistic or idealistic assessment of possibilities, and a tendency to go out on a far limb, financially or otherwise. Together you take bigger risks and speculate with your money, time, and energy, in ways you might be too prudent to or afraid of as single individuals. Somehow when you are with each other, distant horizons always beckon; you are not content with where you are, literally or figuratively. Long-range planning will be necessary to fulfill some of the grander goals the two of you have. Traveling for pleasure or for purposes involving spiritual, educational, or personal growth will definitely be part of the picture.

Composite Mercury Trine Uranus:

Experimenting with new ideas and innovative or unconventional approaches, is part of your purpose together. As a couple, you could teach or in other ways disseminate ideas which are advanced, state-of-the-art, highly original, or "alternative".

The intellectual atmosphere between you is lively and inspiring, and no matter what else is happening in your relationship, you are good for one another in this way.

Empowering you with **simple cosmic guidance.**

Chapter 4

Other Themes in Your Relationship

SID VICIOUS's Sun in NANCY SPUNGEN's 3rd house:

SID VICIOUS openly shares thoughts and ideas with NANCY SPUNGEN, and the two of you love to share ideas, perhaps even gossip together.

NANCY SPUNGEN's Sun in SID VICIOUS's 5th house:

NANCY SPUNGEN encourages SID VICIOUS's creative talents, and both of you are inspired to undertake joint creative projects. If you share a similar artistic or creative interest, then you certainly will work together and inspire each other tremendously along creative lines. You really enjoy each other's company and love to play games together.

SID VICIOUS's Moon in NANCY SPUNGEN's 7th house:

SID VICIOUS is more willing to cooperate and make compromises with NANCY SPUNGEN than with most other people. SID VICIOUS often plays a supportive role to NANCY SPUNGEN, quietly providing assistance and support to NANCY SPUNGEN. This will be true even if your relationship is not a serious or permanent one.

NANCY SPUNGEN's Moon in SID VICIOUS's 8th house:

As your relationship develops, a powerfully emotional bonding develops. Your feelings for each other are intense and can also be rather complex. Jealousy is possible and if things go wrong, you can hate each other with the same intensity that you once loved each other. If you marry or pool your resources but later separate from each other, you will have an extremely difficult time disentangling your mutually owned property, and you are likely to argue intensely over proper division of your joint assets.

SID VICIOUS's Mercury in NANCY SPUNGEN's 2nd house:

You enjoy planning financial strategies together, and SID VICIOUS provides NANCY SPUNGEN with lots of ideas on business ventures, investments, and practical application of job-related skills.

Empowering you with **simple cosmic guidance.**

NANCY SPUNGEN's Mercury in SID VICIOUS's 4th house:

NANCY SPUNGEN loves to discuss very personal issues with SID VICIOUS, which promotes a very close, inner tie between you.

*SID VICIOUS's Venus in NANCY SPUNGEN's 3rd house,
NANCY SPUNGEN's Venus in SID VICIOUS's 3rd house:*

Your conversations are generally pleasant and enjoyable. You argue with each other much less than you do with other people.

SID VICIOUS's Mars in NANCY SPUNGEN's 4th house:

For better or worse, SID VICIOUS gets under NANCY SPUNGEN's skin. SID VICIOUS may infuriate, excite, inspire, and sexually arouse NANCY SPUNGEN, perhaps even all of these at the same time! If you live together, SID VICIOUS will do much to maintain the home, but both of you must be careful to accommodate your partner's tastes and concerns and try not to overpower your partner, especially when domestic issues are involved.

NANCY SPUNGEN's Mars in SID VICIOUS's 3rd house:

NANCY SPUNGEN enjoys challenging SID VICIOUS's reasoning and logic, and SID VICIOUS may feel that this relationship is more like a debate club than a romance! If both of you can keep your communication from becoming acrimonious, you can learn a great deal from each other and enjoy a mentally stimulating relationship.

SID VICIOUS's Jupiter in NANCY SPUNGEN's 7th house:

NANCY SPUNGEN feels buoyant and outgoing in SID VICIOUS's presence, enjoys talking and doing almost anything with SID VICIOUS. Cooperation and optimism are high in this relationship and you can count on having a very upbeat and outgoing relationship most of the time.

NANCY SPUNGEN's Jupiter in SID VICIOUS's 12th house:

NANCY SPUNGEN has a knack for getting under SID VICIOUS's skin and understanding SID VICIOUS in a more intimate, deeper way than most other people. NANCY SPUNGEN is a dear friend, and comes "to the rescue" in times of crisis or transition. Together, you will develop a shared interest in altruistic and

Empowering you with **simple cosmic guidance**.

humanitarian (possibly also religious or spiritual) activities.

SID VICIOUS's Saturn in NANCY SPUNGEN's 10th house:

SID VICIOUS takes a great interest in NANCY SPUNGEN's ambitions and career goals, but is also very critical and sometimes even dogmatic in viewing NANCY SPUNGEN's career goals. SID VICIOUS may also unintentionally get in NANCY SPUNGEN's way, inadvertently creating roadblocks on NANCY SPUNGEN's path. SID VICIOUS needs to show greater trust in the integrity of NANCY SPUNGEN's opinions. NANCY SPUNGEN should try not to become overly sensitive to SID VICIOUS's views, be willing to listen to, and learn from SID VICIOUS. Also, NANCY SPUNGEN shouldn't be overly-dependent on SID VICIOUS's judgment.

NANCY SPUNGEN's Saturn in SID VICIOUS's 2nd house:

Handling of finances is a major issue in your relationship, especially if your relationship is a permanent one. Deciding how to increase income, how to wisely spend money, and how to develop financial security becomes a big issue, and major problems can arise if either of you ignores or overlooks your partner's point of view in these matters. You will learn a lot about handling money and resources and how to develop material security in this relationship, and hopefully any difficult lessons will not cause serious regrets. NANCY SPUNGEN, in particular, should be wary of the tendency to be overly critical of the way that SID VICIOUS handles finances and should try not to interfere too much with SID VICIOUS's

decisions in this regard. SID VICIOUS should try not to be overly sensitive to NANCY SPUNGEN's suggestions and should try to extract the useful, valuable suggestions and ignore the rest.

SID VICIOUS's Uranus in NANCY SPUNGEN's 5th house:

There is a strong creative impulse that is triggered when the two of you get together. You are able to create original and unusual works together and you approach daily life together in a very creative way. This enthusiasm and creativity makes life fun and interesting and also adds zest to the romantic attraction between you.

NANCY SPUNGEN's Uranus in SID VICIOUS's 10th house:

NANCY SPUNGEN has lots of original ideas on how SID VICIOUS can best achieve career goals. NANCY SPUNGEN is likely to encourage SID VICIOUS to take a more adventurous, risky route, and NANCY SPUNGEN often feels that SID

Empowering you with **simple cosmic guidance**.

VICIOUS holds back by being too conservative and security conscious. However, not all of NANCY SPUNGEN's ideas are well founded, and SID VICIOUS must have the ability to separate the really useful creative ideas from those that will only result in chaos and confusion.

SID VICIOUS's Neptune in NANCY SPUNGEN's 8th house:

SID VICIOUS likes to share everything without reserve with NANCY SPUNGEN. SID VICIOUS is much less cautious and reserved in sharing possessions, as well as emotions, with NANCY SPUNGEN. There is also a great deal of fantasy and imagination in your sexual life. This adds a colorful touch to your lives, but problems can arise if you ever feel that your partner has been dishonest with you; fantasy can easily lead to distortions and dishonesty that can erode the good feelings that you otherwise share.

NANCY SPUNGEN's Neptune in SID VICIOUS's 12th house:

The two of you are likely to share a lot of secrets together. There is a great deal of fantasy and imagination that you share, and both of you may feel that it is inappropriate to bring this side of yourselves into the public. There is a strong spiritual or psychic bond that draws you together and there is an element of mystery to your relationship. You may share some very unusual, almost mystical, experiences together.

SID VICIOUS's Pluto in NANCY SPUNGEN's 6th house:

If your relationship is a long-term one, circumstances will develop so that you will both feel that you need to work intensively together to meet your goals, and you will have the shared motivation and dedication to do this. SID VICIOUS, in particular, will work, without complaints, to get the job done. There is a mountain that you must climb together, and the chances are good that you will, indeed, climb it.

NANCY SPUNGEN's Pluto in SID VICIOUS's 10th house:

If this is a long-term relationship, NANCY SPUNGEN will have a critical effect on SID VICIOUS's career and ambitions. Circumstances arise that enable NANCY SPUNGEN to play a key role in helping steer SID VICIOUS's career along new lines, and to levels of greater stature and influence. NANCY SPUNGEN can help SID VICIOUS gain a whole new outlook on career opportunities and the best way to utilize personal talents, but this process is a complex and tricky one.

Empowering you with **simple cosmic guidance.**

The final outcome could be very successful or a failure, depending on how both of you handle the situation.

NANCY SPUNGEN's Sun Square SID VICIOUS's Saturn:

SID VICIOUS must be very careful not to harshly criticize or judge NANCY SPUNGEN. There is a strong tendency for NANCY SPUNGEN to feel blocked, frustrated, and discouraged by SID VICIOUS. Typically, SID VICIOUS will feel surprised by NANCY SPUNGEN's feelings of frustration and anger, and feel that NANCY SPUNGEN is just being overly sensitive to criticism. There is an element of truth to both viewpoints: SID VICIOUS tends to be too critical of NANCY SPUNGEN and NANCY SPUNGEN tends to be too sensitive to the criticism; the combination can be disastrous! NANCY SPUNGEN may try to ignore the problem, but ignoring the problem will not cause the problem to disappear. This is a relationship that can help both of you mature a great deal; you are able to build a secure, stable life together and face many challenges and responsibilities together that you have been trying to avoid. However, the tendency to become overly concerned with your responsibilities and be too conservative, cautious, and restrictive towards each other must not get out of hand, or you will both feel severely confined and restricted by being together.

SID VICIOUS's Asc. Conjunct NANCY SPUNGEN's Jupiter:

NANCY SPUNGEN helps build SID VICIOUS's self-confidence and self-esteem tremendously. SID VICIOUS feels NANCY SPUNGEN's approval and appreciation, and feels that NANCY SPUNGEN is a real friend and supporter, which enables SID VICIOUS to do more, take more risks, and aspire toward greater things.

Also, you simply feel good in one another's company. Humor, fun, recreation, and play are a big part of your relationship.

SID VICIOUS's Asc. Square NANCY SPUNGEN's Venus:

There is a strong romantic quality to your relationship, but you will also experience times when the qualities of your partner contrast sharply with the qualities that you had envisioned that your "Ideal Lover" would have. Do not try to force your partner to conform to your desires; each person must be true to themselves.

Empowering you with **simple cosmic guidance**.

SID VICIOUS's Asc. Square NANCY SPUNGEN's Uranus:

To SID VICIOUS, NANCY SPUNGEN seems highly unusual and fascinating, or unstable and disruptive, perhaps both.

NANCY SPUNGEN makes SID VICIOUS feel nervous and unsettled, but this may also be quite stimulating. Both of you challenge one another to change your plans, habits, or attitudes, and a great deal of flexibility, willingness to change, and openness is necessary on both of your parts.

SID VICIOUS's Asc. Trine NANCY SPUNGEN's Sun:

NANCY SPUNGEN motivates, encourages, and energizes SID VICIOUS's self-expression, and can be very helpful to all of SID VICIOUS's projects and activities. When you are together, you both feel more positive, alive, and vital.

NANCY SPUNGEN's Moon Opposition SID VICIOUS's Saturn:

Although you both strive to be responsible, respectful, and dedicated to each other, there is a strong tendency for this relationship to focus TOO MUCH on responsibilities and commitments. NANCY SPUNGEN is likely to feel unjustly criticized, frustrated by SID VICIOUS's moral and ethical attitudes, and eventually resent the limitations and responsibilities imposed by this relationship. Emotional distance, coolness, indifference to feelings, and a sense of loneliness or oppression can develop between you. To make this relationship work, you both must avoid the tendency to let your sense of responsibility and concern for the other person cause you to try to control your partner's life.

SID VICIOUS's Mercury Square NANCY SPUNGEN's Uranus:

You often say things to shock or shake up each other, and you can get very high-strung when you are together. You tend to set a fast pace. This provides a good deal of excitement in your lives, and you will find yourselves periodically jumping on a new bandwagon, experimenting with a new idea, or exploring new alternatives. However, the impatience with each other is likely to cause sudden arguments and anger to flare.

NANCY SPUNGEN's Mercury Trine SID VICIOUS's Neptune:

You enjoy discussing any subject that has an imaginative or mystical quality -

art, music, fiction, theater, or religion. You kindle each other's imagination and ideals. You work together well in the arts, and humanitarian and religious areas. You have a strong intuitive and psychic rapport and often understand each other without need for words.

SID VICIOUS's Venus Square NANCY SPUNGEN's Pluto:

Although sexual magnetism between you is very intense, you both may be somewhat uncomfortable by the overwhelming feelings or obsessive quality that you engender in one another. Even if you are repulsed or disinclined to become close to one another, there seems to be an irresistible attraction bringing you together. Power struggles, emotional or sexual manipulation, and disruptive jealousy may be problems you encounter in this relationship. Whatever develops, this relationship will touch your depths and change you profoundly.

NANCY SPUNGEN's Jupiter Conjunct SID VICIOUS's Neptune:

You dream big and beautiful dreams together and because you stimulate one another's faith, optimism, and idealism, you feel that anything is possible. If either or both of you tend to be impractical or irresponsible, being with one another will increase that propensity, and together you are likely to harbor unrealistic hopes or ungrounded, grandiose schemes and speculations. You may become sloppy or lazy together. On the other hand, if you are fairly disciplined and well-balanced people, you will encourage each other to take a leap of faith, and to push past previous limits and boundaries that you've set for yourselves. Traveling, enjoyable escapades, or spiritual quests are an important aspect of your relationship.

SID VICIOUS's Jupiter Square NANCY SPUNGEN's Saturn:

NANCY SPUNGEN often limits, burdens, or frustrates SID VICIOUS without intending to or realizing it. There is a conflict here between NANCY SPUNGEN's needs for security, stability, and order versus SID VICIOUS's desire for freedom, mobility, and expansiveness. How much, and in what ways, you spend money is probably a particularly thorny issue for you. NANCY SPUNGEN is more careful and restrictive or disapproving of SID VICIOUS's more relaxed, extravagant, or liberal approach.

Also, NANCY SPUNGEN often seeks to control or dominate SID VICIOUS, and SID VICIOUS may even take a subordinate role in the relationship for a time, accepting NANCY SPUNGEN's "discipline". Over time, however, SID VICIOUS may find NANCY SPUNGEN's subtle (or not so subtle!) criticism or constraints to be devitalizing and draining. And SID VICIOUS, on the other hand, can make NANCY SPUNGEN feel like a perpetual wet blanket or miser.

Empowering you with **simple cosmic guidance**.

Working together or going into business as equal partners is unlikely to work out well for you. It's best if you can respect one another's differing approaches and not seek to impose your own values or styles on one another.

NANCY SPUNGEN's Jupiter Square SID VICIOUS's Uranus:

Your relationship is unlikely to become lifeless or predictable, for you continually challenge one another to grow, change, and take risks. There is an impulsive, spontaneous, buoyant and enthusiastic quality in your relationship, and you encourage a certain excitability in one another which sometimes borders on recklessness. You both will need and want a lot of freedom in this relationship. SID VICIOUS tends to be the one initiating the changes, and may introduce NANCY SPUNGEN to new concepts which radically alter NANCY SPUNGEN's world view or personal philosophy.

SID VICIOUS's Uranus Square NANCY SPUNGEN's Neptune:

Bursts of inspiration, creative imagination and insight, or strange psychic experiences makes your relationship lively and unusual. You may do some rather bizarre or unusual experimenting together. Avoidance of responsibility or reality can be a problem at times.

SID VICIOUS's Neptune Sextile NANCY SPUNGEN's Pluto:

Your spiritual values and strengths harmonize with one another and this is a subtle but positive force in your relationship.
