This Lovers Report is divided into 4 chapters.

Chapter 1 compares your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you are married or live together. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you are married than if you are only seeing each other occasionally.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of romance and sexual attraction are emphasized, then you can count on this relationship being a passionate one. However, if romance and sexuality are hardly mentioned at all, then this relationship will not be a passionate one. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise if you have a close, long-lasting relationship.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that DAVID BECKHAM is more aggressive than VICTORIA BECKHAM, and another statement that VICTORIA BECKHAM is more aggressive than DAVID BECKHAM, means that you alternate roles, with DAVID BECKHAM sometimes being the leader and VICTORIA BECKHAM being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, we have assumed that you are opposite-sexed (assuming that both of you are heterosexual, otherwise same-sexed). Physical attractiveness, age, religion, education, family and cultural background will affect your relationship as well. The material in Chapters 2, 3, and 4 of this report describes the magnetism between you, but does not describe your individual natures. For example, suppose that Chapter 2 makes little mention of romance and sexuality, but the Natal Reports for each of you indicate that each of you has extremely strong romantic and sexual desires. In this case, marriage is not likely to be successful! However, if romance and sexuality are not important to either of you, then the lack of passion in your relationship is not likely to be as much of a stumbling block.

Chapter 1

A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

DAVID BECKHAM's Sun in Taurus and VICTORIA BECKHAM's Sun in Aries:

VICTORIA BECKHAM periodically becomes gripped with an idea and feels that the time to act on this idea is NOW. DAVID BECKHAM prefers to fully digest the whole idea and responds to situations with a more practical and cautious attitude. If VICTORIA BECKHAM stumbles or fails, then DAVID BECKHAM may react with an "I told you so" attitude. This can be infuriating to VICTORIA BECKHAM and very detrimental to the relationship. If you can appreciate your different approaches, DAVID BECKHAM can help supply the reliability and consistent dedication needed to help bring VICTORIA BECKHAM's ideas and impulses to a fruitful completion. Both of you should try to adapt to each other's style in daily events: for example, DAVID BECKHAM may resist a sudden impulse of VICTORIA BECKHAM to go somewhere, when joining in the fun would be much more satisfying for both of you.

DAVID BECKHAM's Moon in Capricorn and VICTORIA BECKHAM's Moon in Aquarius:

Your emotional needs and deeply ingrained attitudes are often at odds. VICTORIA BECKHAM has a very independent nature, and resists being dictated to by Authority, society, convention, or custom. The urge to break from the past, embrace the new and different, and to change things is part of VICTORIA BECKHAM's makeup. DAVID BECKHAM, on the other hand, cherishes tradition and is far more cautious about venturing into unknown territory or changing the standard, tried-and-true ways of doing things. VICTORIA BECKHAM tends toward contemporary, progressive, or "alternative" ways of doing things. DAVID BECKHAM is conservative and respects the time-honored, proven ways. Even if DAVID BECKHAM is philosophically liberal, emotionally there is a very cautious, conservative element that is disinclined to take risks in either emotional or spiritual ways.

Also, VICTORIA BECKHAM craves freedom and will never be completely domesticated or possessed, while DAVID BECKHAM is very responsible, dedicated, and committed, and may not fully appreciate VICTORIA BECKHAM's free spirit.

Empowering you with simple cosmic guidance.

Both of you can have difficulty letting your feelings and emotions flow. VICTORIA BECKHAM intellectualizes rather than feels, and is often unaware of emotional needs (in self or others). DAVID BECKHAM also represses emotions and is afraid of being vulnerable or dependent.

Both of you have Sun trine or sextile Saturn:

Both of you are mature, realistic, responsible, and capable of formulating concrete plans and goals, then patiently working to actualize them. You both possess a conservative, somewhat cautious streak and are able to pace yourselves and endure lean times in order to achieve your personal objectives. One quality you are apt to appreciate in each other is conscientiousness -the fact that you can rely on one another to fulfill whatever obligations you agree to.

Moon & Uranus hard or conj for DAVID BECKHAM, soft for VICTORIA BECKHAM:

DAVID BECKHAM can be intensely restless, nervous, impatient, and ill at ease with a predictable, steady routine. Domestic boredom is quite odious to DAVID BECKHAM. VICTORIA BECKHAM also enjoys variety, the excitement of the new, and being unique - but without DAVID BECKHAM's erratic emotional fluctuations. You two allow one another quite a lot of freedom, which is necessary for both. You would enjoy experimenting and discovering new territory together - in ways your more conventional, tradition-bound friends never would.

Mars & Saturn hard or conj for VICTORIA BECKHAM, soft for DAVID BECKHAM:

Both of you have a cautious, careful, and disciplined way of doing things, which for VICTORIA BECKHAM often becomes tight self-control and a formidable fear of taking risks, making mistakes, or failing. DAVID BECKHAM can help build VICTORIA BECKHAM's self-confidence by showing how a steady, well-grounded, sensible attitude can bring about success, without going to the extremes VICTORIA BECKHAM is prone to. VICTORIA BECKHAM's rigidity can thus soften into firmness.

Empowering you with simple **cosmic guidance**.

Jupiter & Neptune hard or conj for VICTORIA BECKHAM, soft for DAVID BECKHAM:

Both of you believe in magic, miracles, grace, and unlimited possibilities, and you dream wonderful, glorious dreams. However, VICTORIA BECKHAM is more apt to be carried away by these hopes and wishes, to have wildly exaggerated expectations or fantastic beliefs with little grounding or basis in reality. DAVID BECKHAM is very open-minded but less apt to invest all into these grandiose imaginations. DAVID BECKHAM won't ridicule VICTORIA BECKHAM for VICTORIA BECKHAM's sometimes foolish optimism, but won't get swept up entirely in it either. In fact, DAVID BECKHAM is apt to be quite tolerant and understanding, while still voicing a more balanced approach to life.

Chapter 2

Major Themes in the Relationship: What Brought You Together

VICTORIA BECKHAM's Asc. Conjunct DAVID BECKHAM's Saturn:

DAVID BECKHAM restricts, disciplines, disapproves of, or criticizes VICTORIA BECKHAM, often in a subtle way or with the assumption that it's for VICTORIA BECKHAM's own good. This has the effect of either undermining VICTORIA BECKHAM's confidence or of forcing VICTORIA BECKHAM to become even stronger and more definite in order to stand up to DAVID BECKHAM.

Especially at the beginning of your relationship, DAVID BECKHAM is likely to be the dominant partner, and VICTORIA BECKHAM may acquiesce to DAVID BECKHAM's wishes, even when they inhibit VICTORIA BECKHAM's own natural self-expression. VICTORIA BECKHAM will respect DAVID BECKHAM, and may actually benefit from the structure, stability, and security that DAVID BECKHAM provides. VICTORIA BECKHAM also feels that DAVID BECKHAM is someone to be trusted and depended on, and in turn may feel obligated to DAVID BECKHAM in some important way. There is definitely the potential for a deep commitment between you, but the relationship can easily become stifling also, especially for VICTORIA BECKHAM. DAVID BECKHAM must avoid trying to control VICTORIA BECKHAM.

Empowering you with simple **cosmic guidance**.

VICTORIA BECKHAM's Mercury Conjunct DAVID BECKHAM's Jupiter:

Your conversations frequently turn to philosophical, religious, or political areas. Your discussions often move more towards the forest than the trees. You help each other get a broader perspective of your situation and you are likely to find yourselves traveling, exploring, and, in many ways, broadening your horizons. DAVID BECKHAM believes in and encourages VICTORIA BECKHAM's ideas, plans, and intellect.

VICTORIA BECKHAM's Mercury Opposition DAVID BECKHAM's Pluto:

Your conversations have a deep, probing quality. You uncover hidden aspects of yourselves and, in general, you find that you can share at a much deeper level than you can with most people. If you encounter a topic where you strongly disagree with each other, you will both hammer on this issue until it is resolved or until death - whichever comes first!

Jupiter Mutually Aspects Neptune:

You bring out the Dreamer, Idealist, or Gambler in one another. Great hopes and expectations for the future, spiritual explorations, journeys, Quests, a shared vision, dreaming the Impossible Dream together: this is a fundamental aspect of your relationship. The inspiration and sense of unlimited possibilities is the up side of this. The down side is a tendency to see everything in too rosy a light, to become irresponsible, to have over-inflated expectations, and to use poor judgment when you are together.

DAVID BECKHAM's Jupiter Trine VICTORIA BECKHAM's Neptune:

There is a strong psychic or spiritual connection between you, a sympathetic rapport that enables you both to be especially generous, tolerant, and accepting of one another. Your ideals and beliefs are in harmony. Your faith, optimism, imagination and hopes and plans for the future are stimulated by being together. However, you may simply dream, speculate, or spin fantasies rather than actually do anything concrete. You tend to be enjoyably lazy and indulgent together.

Empowering you with simple **cosmic guidance**.

VICTORIA BECKHAM's Jupiter Square DAVID BECKHAM's Neptune:

You stimulate one another's expansive, restless, imaginative, idealistic, and impractical sides. You inspire one another, but there's a fine line between being optimistic and being foolhardy, and together you tend to overestimate what you can really do, to be blinded by an overly hopeful or grandiose sense of what is possible.

DAVID BECKHAM, in particular, should avoid exaggerating, misrepresenting, or subtly misleading VICTORIA BECKHAM, or encouraging VICTORIA BECKHAM to be irresponsible.

Traveling, vacationing, gambling and other "escapist" activities are things you are inclined to do together.

If you are inclined toward spirituality or mysticism, this aspect of yourselves will be emphasized by being together, along with a tendency to become rather unbalanced, overly idealistic, or ungrounded in your approach.

VICTORIA BECKHAM's Sun Square DAVID BECKHAM's Moon:

The two of you are fascinated by each other and strongly attracted to each other, but the distinct differences in your temperaments also inclines you to periods of personality clashes and misunderstandings. In particular, DAVID BECKHAM often feels that VICTORIA BECKHAM does not sympathize enough or try to really understand DAVID BECKHAM's feelings. If you try to force each other to be more like yourself (or more your like image of the perfect mate), this relationship can be disastrous. But if the two of you understand and respect each other's differences, you can enjoy the fascination and stimulating effect of your differences without clashing with each other. This is easier said than done, however, and both of you must make a concerted effort to harmonize your very different temperaments.

DAVID BECKHAM's Sun Sextile VICTORIA BECKHAM's Venus:

Yours is a loving friendship, with much mutual appreciation, affection, and respect. This may grow into a very warm, affectionate love relationship as well.

Empowering you with simple **cosmic guidance**.

DAVID BECKHAM's Asc. Square VICTORIA BECKHAM's Moon:

Irritations over relatively minor incidents and situations, combined with a tendency to have differing tastes, preferences, and interests may make an intimate, long-lasting relationship difficult. You do care a great deal for each other, though, and both of you feel exceedingly bad after a quarrel. If you can be tolerant of each other's differing attitudes, interests, and lifestyles, the negative tendencies of this astrological influence will be minimized.

VICTORIA BECKHAM's Asc. Square DAVID BECKHAM's Jupiter:

DAVID BECKHAM draws VICTORIA BECKHAM out and makes VICTORIA BECKHAM feel good, but DAVID BECKHAM also encourages VICTORIA BECKHAM to be extravagant or irresponsible at times. DAVID BECKHAM challenges or dares VICTORIA BECKHAM to be more of a gambler or more adventurous intellectually. The two of you have a lot of fun together and sometimes go overboard.

VICTORIA BECKHAM's Asc. Trine DAVID BECKHAM's Mars:

Attraction between you is very strong. Your goals and interests harmonize very well, and you are naturally inclined to join together in shared interests, projects, goals, and work.

VICTORIA BECKHAM's Moon Square DAVID BECKHAM's Mercury:

DAVID BECKHAM needs to guard against the tendency to be critical, unsympathetic, and overly analytical of VICTORIA BECKHAM's feelings, personal tastes, and habits. DAVID BECKHAM may feel that VICTORIA BECKHAM is overly sensitive to criticism, and refuse to acknowledge responsibility for the problem as well. Petty annoyances, minor disagreements, and bickering can be avoided only if you both learn to listen sympathetically and to communicate clearly with each other.

Empowering you with simple **cosmic guidance.**

VICTORIA BECKHAM's Moon Trine DAVID BECKHAM's Uranus:

There is an upbeat, enthusiastic, spontaneous quality to your relationship. You spark each other's imagination, creativity, and wit. You feel loose and uninhibited with each other, and you enjoy exploring life and sharing new experiences. Also, if you both enjoy dancing or playing music, you have found a wonderful dance and/or music partner. You spark each other's sense of rhythm, and you can work together very spontaneously, yet gracefully - an indication of sexual compatibility and satisfaction as well.

VICTORIA BECKHAM's Mercury Trine DAVID BECKHAM's Neptune:

You enjoy discussing any subject that has an imaginative or mystical quality - art, music, fiction, theater, or religion. You kindle each other's imagination and ideals. You work together well in the arts, and humanitarian and religious areas. You have a strong intuitive and psychic rapport and often understand each other without need for words.

VICTORIA BECKHAM's Venus Square DAVID BECKHAM's Neptune:

Your love for each other has a very dreamy, idealistic, and romantic quality. You are infatuated with each other, sometimes almost hypnotized by each other. You tend to have glamorous and idealistic notions of each other that are far removed from reality. This relationship is prone to major disappointments when you each discover that your partner is not as perfect as imagined. Disillusionment and disappointment are likely, but you can mitigate this tendency if you allow yourself to enjoy the dreamy romanticism without projecting your wildest fantasies onto your partner, believing you have found the companion of your dreams.

VICTORIA BECKHAM's Venus Trine DAVID BECKHAM's Saturn:

There is a great deal of mutual trustworthiness, reliability, and responsibility in this relationship that makes you both feel very secure with each other. You can count on each other, and you both take the relationship seriously. You willingly make sacrifices for each other, and a deep love between you develops over time. You will assist each other a great deal over the years. This is likely to be a deep, meaningful, lasting relationship.

Empowering you with simple **cosmic guidance**.

VICTORIA BECKHAM's Mars Trine DAVID BECKHAM's Uranus:

An electric, exciting quality infuses your relationship and you encourage one another to be bold, confident, and assertive. Vigorous physical activities, from love-making to sports, are good outlets for the vital dynamic energy you generate together.

Chapter 3

Destiny and Final Outcome of Your Relationship

Composite Sun Conjunct Mercury:

Yours is an intellectual relationship, among other things. Exchanging thoughts, studying together, sharing information, talking and bantering, turning one another on to new books or ideas, sparking one another's curiosity and interest in the world - all of these are important aspects of your relationship. A certain detachment and the ability to think about and talk about what is going on between you are also highlighted. Put simply, becoming more conscious or more informed and educated is a significant reason the two of you are drawn together.

Composite Mercury Conjunct Venus:

A shared sense of style, elegance, and aesthetics is destined to be a focus with the two of you. Discussions about art, love and romance, or what each of you finds beautiful are definitely part of this.

Also, the two of you are able to tell one another of your affection for one another, to express those feelings verbally or in writing. Small, considerate expressions of caring (as well as tactful, somewhat sugar-coated expressions of disagreement when that is appropriate) add much felicity to your relationship. You tend to either avoid "heavy" subjects, or are able to talk about them in a friendly, amicable manner.

Empowering you with simple cosmic guidance.

Composite Mars Sextile Saturn:

Together you act more carefully, cautiously, conservatively, methodically and patiently than either of you might on your own. You have a steady pace which enables you to go the distance, and thus to achieve something worthwhile and enduring. You don't shy away from hard work or the real nitty-gritty, concrete details involved in life. You can and will help one another organize and effectively manage certain mundane aspects of your lives. However, these details may become a significant focus in your time together, and falling into the role of being the responsible adult may not leave much room for dreaming, playing, or exploring new things. Nevertheless, reliability and being able to "get the job done" can be satisfying in their own way.

Composite Mars Quincunx Pluto:

At times it will seem that great forces are working against you to prevent the two of you getting what you want in your life together. Events that seem tremendously unfair or random will be a challenge during different periods of your relationship. Also, beware of trying to use force inappropriately or excessively with one another or with others, for it most certainly will be destructive. Misdirected anger can be a real problem. Learning to redirect your anger and aggressiveness into constructive channels will be necessary. Misguided or misdirected passion and sexual energies need to be watched for. Hiding your true desires and intentions can play havoc with your relationship.

Composite Sun Conjunct Venus:

Quite simply, one of your purposes in being together is to create and express beauty, whether this is in the form of a beautiful, loving relationship, or gracious and artful works. There can also be an element of vanity, artifice, or wanting to show-off, the desire to be seen and recognized as a Beautiful Couple, whether or not that's entirely true. Hiding or downplaying your difficulties and the ugly parts of your relationship may be helpful to a point, but if you try to maintain this image of yourselves as a happy, loving twosome despite your actual conflicts, then deeper troubles may never get attended to. However, whatever friction, dissonance, or ill will develops between you, there will also always be an urge to harmonize, reconcile, and ease your differences, and to create cooperation. It will take a lot for the two of you to ever turn against each other entirely.

Empowering you with simple **cosmic guidance.**

Composite Sun Conjunct Mars:

Without a doubt, the two of you rouse strong energies within one another, and you will have to learn how to manage conflict, passion, and anger in a creative way. When you are together, you both tend to become competitive, overly eager, rambunctious, zealous. You are not destined to have a peaceful, placid coexistence! However, you can initiate new projects and get lots of work done together, if your drives are harnessed and channeled into creative enterprises. Winning at work and competition, developing a warrior spirit, encouraging one another to be bolder and more courageous - these are the positives you will discover and create together if you can diffuse the more aggressive, abrasive energies you bring out in each other.

Action, doing, accomplishing are much of what this relationship is about. Because you generate so much heat - on all levels - when you are together, your sexual energies will also be stimulated and will certainly be an undertone in your communication with one another.

Composite Sun Quincunx Pluto:

There will come periods in your relationship, especially if it is a long one, when totally unexpected, uncontrollable events, or a strange twist of fate, will intrude and force you to face some deep pain or difficulties. You may lose something precious to you in an unexpected way. Inevitably, some darkness or deep loss will shape your relationship. This may bring you very close together, or drive you apart.

Composite Mercury Conjunct Mars:

Vigorous debates and intellectual sparring will inevitably play a key role in your relationship. What you might try to convey tactfully in other circumstances, you will state directly and unequivocally with each other. This can lead to numerous arguments and disputes, not so much due to deep differences of opinion but simply due to the way you both communicate with one another.

It is likely that one or both of you will come to feel verbally attacked, or criticized for petty things, unless you both are willing to work on being gentler in the manner you speak to one another.

On the other hand, if you enjoy bantering, competing intellectually, and hotly

Empowering you with simple **cosmic guidance.**

debating various issues, you may not consider any of this a problem. It will, however, be an ongoing dynamic in your relationship with each other.

Composite Mercury Opposition Uranus:

The two of you are likely to come up with some pretty outlandish, yet creative, innovative, and original ideas together. Jolts of insight and inspired thinking lead to new inventions, new concepts and methods. A wide-open, experimental, intellectual atmosphere prevails. You may find yourselves communicating at a lightning-quick pace, interrupting each other and finishing one another's sentences because you pick up what the other person is getting at even before they say it. You may feel more brilliant and quick-witted when you are together than you do singly, and certainly you won't be bored.

However, you may also find that you feel tense, "wired" and exhausted by all of the mental stimulation and the fast pace that the two of you have together. Part of the function of your relationship is to wake you both up. When you want to relax and rest, though, you may need to do it separately.

Composite Venus Opposition Uranus:

Much of what occurs in this relationship will be a total surprise to both of you. Even the way you met and came together almost certainly happened suddenly, and may even have created some sort of disruption in your lives. The feelings you discovered you had for one another probably took you off guard.

Throughout your relationship, no matter how long or short lived, this element of the unexpected, of unpredictable twists, of freshness and excitement, and of instability will prevail. Trying to hold on, formalize, structure, or define what is going on between you will not work.

A strong urge for adventure, freedom, and openness runs through your relationship. If you enjoy roller coaster rides, and a lot of rushes and thrills, then you may well handle this relationship and experience a lot of joy in it. But if you always like to know where things are headed, the uncertainty may be too much for you.

Empowering you with simple **cosmic guidance**.

Composite Saturn Square Pluto:

One or both of you will undoubtedly feel extremely limited, imprisoned, or compromised in this relationship at some time, and it may seem like your partner is the jailer, purposefully holding you down, or in some way the source of your misery.

On the other hand, it may be outside circumstances and seemingly random events which are oppressive, difficult, and burdensome. These situations will demand great sacrifices, as well as tenacity, determination, and endurance to overcome.

Clearly this is not an altogether sweet or light relationship. You'll be confronted with all of your personal demons, those things you fear the most. If you get through it, the two of you will have forged a powerful bond. If you blame the other person for these problems, losses, deprivations, or your lack of freedom, there will be increasing distance and coldness between you.

Chapter 4

DAVID BECKHAM takes a keen interest in VICTORIA BECKHAM's career and line of work. DAVID BECKHAM provides encouragement and support to VICTORIA BECKHAM, but may become overly concerned and meddlesome with VICTORIA BECKHAM's affairs. VICTORIA BECKHAM respects and appreciates DAVID BECKHAM but may feel that the focus of the relationship is often too impersonal and worldly-oriented.

VICTORIA BECKHAM's Sun in DAVID BECKHAM's 11th house:

You share many mutual friends, social concerns, and interests. Your relationship has an upbeat, friendly, outgoing quality but may lack personal warmth and intimacy at times.

Empowering you with simple **cosmic guidance**.

DAVID BECKHAM's Moon in VICTORIA BECKHAM's 7th house:

DAVID BECKHAM is more willing to cooperate and make compromises with VICTORIA BECKHAM than with most other people. DAVID BECKHAM often plays a supportive role to VICTORIA BECKHAM, quietly providing assistance and support to VICTORIA BECKHAM. This will be true even if your relationship is not a serious or permanent one.

VICTORIA BECKHAM's Moon in DAVID BECKHAM's 9th house:

VICTORIA BECKHAM is very supportive and sympathetic towards DAVID BECKHAM's aspirations, religious beliefs, political perspective, and overall outlook on life. DAVID BECKHAM appreciates VICTORIA BECKHAM's encouragement but may wish that VICTORIA BECKHAM also took a greater interest in DAVID BECKHAM's personal feelings and more immediate, personal problems and concerns.

*DAVID BECKHAM's Mercury in VICTORIA BECKHAM's 11th house,
VICTORIA BECKHAM's Mercury in DAVID BECKHAM's 11th house:*

Your intellectual rapport is very good. You share lots of ideas and interests in community affairs, political or social issues, and various clubs and organizations. In addition to your personal relationship, there is a strong feeling of camaraderie and a sense of being colleagues. You work together well in business affairs, mental work, and especially organizational planning.

DAVID BECKHAM's Venus in VICTORIA BECKHAM's 12th house:

DAVID BECKHAM seems a bit mysterious to VICTORIA BECKHAM and VICTORIA BECKHAM is intrigued and fascinated by DAVID BECKHAM, but may lack trust and feel insecure with DAVID BECKHAM. It is important to be honest and candid about feelings in this relationship, as there can be hidden feelings. There may also be a strong spiritual, almost mystical affinity for each other.

Empowering you with simple **cosmic guidance**.

VICTORIA BECKHAM's Venus in DAVID BECKHAM's 10th house:

VICTORIA BECKHAM takes an active interest in DAVID BECKHAM's career, and is very supportive. DAVID BECKHAM appreciates VICTORIA BECKHAM's help but may feel that VICTORIA BECKHAM is a bit paternalistic and sometimes too emotionally detached.

DAVID BECKHAM's Mars in VICTORIA BECKHAM's 9th house:

DAVID BECKHAM challenges VICTORIA BECKHAM's philosophical viewpoints and religious beliefs. There is the possibility that DAVID BECKHAM will try to force individual views on VICTORIA BECKHAM.

VICTORIA BECKHAM's Mars in DAVID BECKHAM's 2nd house:

VICTORIA BECKHAM takes an active interest in the way DAVID BECKHAM handles finances and assets. VICTORIA BECKHAM may try to force individual opinions in these matters and try to take over the responsibility of handling finances.

DAVID BECKHAM's Jupiter in VICTORIA BECKHAM's 9th house:

There is sufficient variety and expansiveness in this relationship to keep it interesting for a long time. No doubt you enjoy traveling, vacationing, socializing, and going out together, and the rich variety of experiences that you share together enriches your outlook on life and increases your appreciation of many things that you otherwise tend to be unaware of or uninvolved in.

VICTORIA BECKHAM's Jupiter in DAVID BECKHAM's 10th house:

Circumstances develop so that VICTORIA BECKHAM is able to assist DAVID BECKHAM in career and achieving long-term goals. VICTORIA BECKHAM takes a great interest in DAVID BECKHAM's ambitions and is a great supporter and promoter of DAVID BECKHAM's talents. You can also be very successful in business activities together.

Empowering you with simple **cosmic guidance**.

DAVID BECKHAM's Saturn in VICTORIA BECKHAM's 1st house:

DAVID BECKHAM's more mature, responsible, reliable side comes out in this relationship. DAVID BECKHAM becomes almost paternalistic in this relationship, always being concerned about VICTORIA BECKHAM's well-being. DAVID BECKHAM is also inclined to offer lots of critical advice, at times interfering too much with VICTORIA BECKHAM's plans and goals. DAVID BECKHAM's "helpful criticism" sometimes sours into moralistic judgments. DAVID BECKHAM should be wary of the tendency to control or severely limit VICTORIA BECKHAM's sense of freedom.

VICTORIA BECKHAM's Saturn in DAVID BECKHAM's 2nd house:

Handling of finances is a major issue in your relationship, especially if your relationship is a permanent one. Deciding how to increase income, how to wisely spend money, and how to develop financial security becomes a big issue, and major problems can arise if either of you ignores or overlooks your partner's point of view in these matters. You will learn a lot about handling money and resources and how to develop material security in this relationship, and hopefully any difficult lessons will not cause serious regrets. VICTORIA BECKHAM, in particular, should be wary of the tendency to be overly critical of the way that DAVID BECKHAM handles finances and should try not to interfere too much with DAVID BECKHAM's decisions in this regard. DAVID BECKHAM should try not to be overly sensitive to VICTORIA BECKHAM's suggestions and should try to extract the useful, valuable suggestions and ignore the rest.

DAVID BECKHAM's Uranus in VICTORIA BECKHAM's 4th house:

DAVID BECKHAM challenges many of VICTORIA BECKHAM's deeply ingrained attitudes and many of the habits and personal tastes that are developed from early childhood. DAVID BECKHAM often encourages VICTORIA BECKHAM to break free from the past, although this encouragement is often subtle and not overt. DAVID BECKHAM needs to be careful not to overlook the value of VICTORIA BECKHAM's heritage, and you both need to be able to preserve what is good in the past without remaining attached to habitual tendencies that are not fulfilling or healthy.

Empowering you with simple **cosmic guidance**.

VICTORIA BECKHAM's Uranus in DAVID BECKHAM's 5th house:

There is a strong creative impulse that is triggered when the two of you get together. You are able to create original and unusual works together and you approach daily life together in a very creative way. This enthusiasm and creativity makes life fun and interesting and also adds zest to the romantic attraction between you.

DAVID BECKHAM's Neptune in VICTORIA BECKHAM's 5th house:

DAVID BECKHAM enjoys acting childish and silly with VICTORIA BECKHAM. You enjoy playing games with each other, and there is also a strong element of fantasy and imagination in your romantic and sexual life.

VICTORIA BECKHAM's Neptune in DAVID BECKHAM's 7th house:

There is a great deal of fantasy and idealism in your relationship and both of you will need to work hard to maintain a reasonable level of realism and objectivity. DAVID BECKHAM, in particular, tends to have an idealized view of VICTORIA BECKHAM, and this can result in bitter disappointment later when the cloud lifts.

DAVID BECKHAM's Pluto in VICTORIA BECKHAM's 3rd house:

DAVID BECKHAM sometimes expresses ideas and opinions in a very forceful manner to VICTORIA BECKHAM, who inspires DAVID BECKHAM to take a strong stand on issues, but VICTORIA BECKHAM may feel that DAVID BECKHAM is too narrow-minded at times. The two of you can work well together in areas that require concentration or bold presentations such as research, marketing, etc.

VICTORIA BECKHAM's Pluto in DAVID BECKHAM's 5th house:

Your relationship is a spirited one. You love to do things together, and you will inevitably engage in creative work or play together - developing projects together or competing with each other. If romantic attraction is strong, you can become obsessed with each other.

Empowering you with simple **cosmic guidance**.

VICTORIA BECKHAM's Sun Opposition DAVID BECKHAM's Uranus:

This relationship changes course suddenly and unexpectedly. There is a great deal of unpredictability to the relationship. At best, your relationship is exciting and unconventional, and at worst it leaves VICTORIA BECKHAM frustrated by DAVID BECKHAM's unwillingness to be more committed and devoted to the relationship. The unpredictable nature of the relationship and the lack of constancy and security may cause either, or both, of you to feel very uncomfortable.

DAVID BECKHAM's Sun Sextile VICTORIA BECKHAM's Jupiter:

Your relationship has an upbeat, friendly positive quality that makes it fun to be with each other. You help each other laugh and take life less seriously. It is not unusual for the two of you to have a great deal of fun playing games or even while engaging in daily activities such as shopping, etc. You allow each other considerable freedom; you respect each other's independence, and are more interested in enjoying a good time together rather than dominating or smothering each other. This astrological influence is a positive one that helps enormously when the more stressful and difficult influences described elsewhere in this report make themselves felt.

VICTORIA BECKHAM's Asc. Sextile DAVID BECKHAM's Sun:

There is a pleasant, harmonious quality to your relationship that makes the two of you really enjoy your times together. Whether you are talking, playing, or taking care of daily chores together, you find that you invariably appreciate and enjoy each other's company. Regardless of whether your romantic relationship is permanent, you will always be good friends.

DAVID BECKHAM's Moon Square VICTORIA BECKHAM's Uranus:

Although there is a great deal of fascination, curiosity, and attraction between you, there is also a lack of stability and peace. You react to each

other very impulsively. Your feelings for each other blow hot and cold. It may seem like you are either making love or arguing with each other, going from one extreme to another. This relationship could easily turn into a love/hate relationship, where you simultaneously feel irresistibly drawn to each other, but you also irritate each other and make each other feel very uncomfortable. To make this relationship work, you both must be very flexible, tolerant of shortcomings in each other, adaptable to the constant changes and upsets, and enjoy excitement, novelty, and surprises. In this relationship there is never a dull moment!

VICTORIA BECKHAM's Mercury Square DAVID BECKHAM's Saturn:

DAVID BECKHAM is often critical and coldly analytical of VICTORIA BECKHAM's ideas, and VICTORIA BECKHAM is likely to feel belittled by DAVID BECKHAM. If both of you are able to offer criticisms and comments with a helpful, positive attitude, then this astrological influence need not be overwhelming, but the tendency to feel blocked and frustrated in your communications is very strong. You must make sincere efforts to listen receptively and sympathetically!

VICTORIA BECKHAM's Venus Conjunct DAVID BECKHAM's Mars:

The romantic and sexual attraction between you is almost irresistible. This relationship is one that was probably "more than just friends" from the start. The intensity of your feelings for one another is unlikely to fade over time, and you find much fulfillment in your love for each other.

DAVID BECKHAM's Venus Trine VICTORIA BECKHAM's Uranus:

This is a lively, enthusiastic, exciting relationship. You feel very uninhibited with each other and are able to express yourselves freely with each other. If you both enjoy dancing, music, or similar sports, then you have found an excellent partner for these activities! Sexual compatibility is also high and you are likely to feel that your partner is a wonderful lover.

Empowering you with simple **cosmic guidance**.

VICTORIA BECKHAM's Saturn Trine DAVID BECKHAM's Uranus:

You are able to balance your needs for security, stability, and commitment with your desire for newness, freedom, and spontaneity. DAVID BECKHAM loosens VICTORIA BECKHAM up and prevents VICTORIA BECKHAM from becoming too rigid and tight, encouraging VICTORIA BECKHAM to make changes and take more leaps into the unknown. VICTORIA BECKHAM has a steadying effect on DAVID BECKHAM and helps DAVID BECKHAM organize and direct DAVID BECKHAM's energies into clear, definite channels, encouraging DAVID BECKHAM to be more reliable and constant.
